**PRIVACY NOTICE FOR WEBSITE USERS**  
**pursuant to Article 13 of Regulation (EU) 2016/679 - GDPR**  
**Data collected from the data subject**

Dear Data Subject,

We would like to inform you about how your personal data may be collected and processed while browsing this website, as well as provide you with all the information necessary to facilitate contact and interaction with our offices.

**Data Controller**

The data Controller is Nuova Fontauto S.r.l.

The contact details are as follows:

Telephone: +39 0171 390035

E-mail: [info@fontauto.com](mailto:info@fontauto.com)

Website: <https://fontauto.com/>

**Processing of Personal Data**

This page describes how the personal data of users who browse or interact with the web services available on the Nuova Fontauto S.r.l. website are processed.

This Privacy Notice applies only to this website and not to any external websites that may be accessed by users through links.

Pursuant to Article 13 of Regulation (EU) 2016/679 – GDPR, we provide you with the following information:

**Browsing Data**

Your provider, the IT systems and the software procedures used to operate this website acquire, during their normal operation, certain personal data whose transmission is implicit in the use of Internet communication protocols.

This information is not collected in order to be associated with identified data subjects; however, by its very nature, it could, through processing and association with data held by third parties, allow users to be identified.

This category of data includes IP addresses or domain names of the computers used by users connecting to the website, URI (Uniform Resource Identifier) addresses of the resources requested, the time of the request, the method used to submit the request to the server, the size of the file received in response, the numerical code indicating the status of the response provided by the server (successful, error, etc.), and other parameters relating to the user's operating system and IT environment.

These data are used solely for the purpose of ensuring the proper functioning of the website and may also be used for the resolution of anomalies, malfunctions and/or for the establishment of liability in the event of hypothetical cybercrimes committed against the website.

### ***Data Voluntarily Provided by the User***

The optional, explicit and voluntary sending of e-mails to the addresses indicated on this website entails the subsequent acquisition of the sender's e-mail address, which is necessary to respond to requests, as well as any other personal data included in the communication.

The specific privacy notices relating to the collection of personal data can be consulted on the pages of the website where such data collection is provided.

Personal data will be processed exclusively for the purposes stated, thereby excluding any other use. The processing of information concerning you will be carried out in accordance with the principles of fairness, lawfulness, transparency and protection of confidentiality, and may be processed and stored both electronically and in paper form for the period strictly necessary to achieve the purposes for which the data were collected.

Specific security measures are implemented to prevent data loss, unlawful or improper use, and unauthorised access.

The provision of data is optional; however, failure to provide personal data relevant to the purpose of the collection may make it impossible to fulfil the request.

Any processing related to the web services of this website is carried out by our authorised personnel and by third parties acting as data processors (e.g. hosting providers) or as independent data controllers (e.g. online payment service providers).

Your personal data will not, in any case, be disclosed to the public without your specific consent.

### ***Use of Cookies***

The Nuova Fontauto S.r.l. website uses the cookies analytically described in the banner displayed when the user first accesses the website. **Where the cookies indicated are anonymised, they are considered equivalent to technical cookies.**

The banner for managing your preferences can be reopened by clicking on the black clip-shaped icon on a light blue background located at the bottom left corner of every page of the website.

Links contained in some of our pages may lead to third-party websites that may use different types of cookies. We therefore invite you to consult the relevant privacy notices available on those websites and to provide any required consents.

The management of each individual cookie is entrusted to the user who, either manually or through the automatic settings of their browser, may decide which cookies to accept and may delete some or all cookies stored on their browsing device at any time.

To facilitate the configuration and management of cookie settings, the main browsers and the corresponding links to the instructions required for cookie settings are listed below (the links provided direct users to pages external to our website, maintained and updated directly by the respective software manufacturers).

Should any link be unavailable or invalid, users are invited to follow the instructions displayed in order to obtain the correct information. In such cases, we would appreciate being informed so that we may keep this document constantly updated.

As a data subject, you have the right to obtain access to your personal data and the rectification or erasure thereof, or restriction of processing concerning you, or to object to such processing (Articles 15 et seq. of Regulation (EU) 2016/679 - GDPR - [copies of the relevant articles](#) and [the appropriate request](#) form may be requested using the contact details provided above or obtained through the relevant links).

If you believe that the processing of your personal data infringes the applicable data protection legislation, you may lodge a complaint with the Supervisory Authority, as provided for under Article 77 GDPR, or seek judicial remedy.

Where the legal basis for processing is your consent, we remind you that you have the right to withdraw such consent at any time using the contact details provided above. However, any processing carried out prior to the withdrawal of consent, and its related legal effects, shall remain valid even after consent has been withdrawn.

The Data Controller reserves the right to amend, update, add to, or remove parts of this Privacy Notice. To facilitate verification, the date of the latest update is indicated at the end of the Privacy Notice.

For any further information, please contact us using the details provided in this Privacy Notice.
